

Francis Douglas Memorial College
2019 Subject Selection Sheet for students who will be in
Year 12 in 2019

STUDENT NAME:

2018 – Y11

You are advised to inspect our subject selection booklet on www.fdmc.school.nz and speak with staff members and parents before making your selections. Select subjects by ticking those you wish to study in 2019. Use this form to guide your online selection. All students will study Religious Studies. In addition, all:

Y **Year 11** students will study English, Mathematics and Science at either Level 1.

- o **TWO** (2) other subjects must be chosen.

Y **Year 12 and 13** students must choose **five** (5) subjects.

Note: Although English is no longer compulsory at Level 2 please check carefully that it is not a requirement for what you want to do. For example: Level 2 Reading and Writing Credits for University. Auckland University require you to have 17 credits in English at Level 2 or above.

Visual Art			
Visual Art – Painting			
Visual Art – Photography			
Visual Art - Design			

SUBJECTS:

RE	
OPTION 1	
OPTION 2	
OPTION 3	
OPTION 4	
OPTION 5	

PLEASE NOTE:

Some subjects are dependent on student numbers.

Before making a decision about your subject selection for next year consider those subjects which would be of use in a future career path.

Careful selection of subjects means finding out about the pathways that link your subject selection with your future goals.

A Black Square indicates the subject is not available at that year level. For example, Future Problem Solving is **ONLY** offered at Year 11 and Business Studies is **NOT** offered at Year 11. You need to consider this when selecting your subjects and considering future pathways.

Students wishing to study STAR, Trades Academy, Gateway or CPP need to **collect a separate application form from the Gateway Office or Ms O'Reilly or Mrs Maclean**. Please complete this form as an initial step in the application process.
